## 2022 AFFORDABLE HOUSING SUMMIT RECAP

Last year's event was a record year for MAAHP regarding sponsorship and attendees. We welcomed close to 100 architects, builders, owners, and vendors to this year's event.

MAAHP is very thankful for [our partners](#) that support this important event.

## WOMEN'S AFFORDABLE HOUSING NETWORK

Industry leaders in Louisiana and Mississippi have formed a magnolia states chapter for WAHN. If you or someone you know is interested in joining, please email [info@maahp.ms](mailto:info@maahp.ms)

## A LETTER FROM THE PRESIDENT

At MAAHP, we are off and running in 2023. We are continuing to work to bring the positive impact of affordable housing to the forefront, monitoring the 2023 activity in the Mississippi Legislature, listening to issues affecting our membership's development of affordable housing, and helping address these issues. Mississippi's Annual Affordable Housing Conference will be this upcoming May in Biloxi. We are thankful to the Mississippi Home Corporation for hosting this great event. We look forward to spending time together with each other during this meeting and coming up with even greater ideas to further the cause of providing every Mississippi a good, quality, safe home.

There is no a better time to become a MAAHP member. Please let us know if there is any development groundbreaking / ribbon cutting you would like highlighted via our social media platform or any issue / idea you would like to bring to our attention. We hope your year has started off on the right foot, and we look forward to visiting with you soon!
